Appendix: Bowler Etiquette

- Bowls should be played in a spirit of good sportsmanship and with good manners.
- Players should make every effort to win but should also treat their opponents with courtesy.
- As soon as each bowl shall have come to rest, possession of the rink shall be transferred to the other team. By the time a player's bowl comes to rest they should be behind the mat or behind the head – not between the two.
- Players of each team not in the act of playing or controlling play shall stand well behind the head or a yard behind the mat.
- A player on the mat should not be interfered with, annoyed or have their attention distracted in any way by an opponent.
- Players at or behind the head should not move while a player is on the mat.
- Players behind the mat should not talk while a player is on the mat.
- Skips or thirds decide the number of shots - leads or seconds should not interfere.
- No bowls whatsoever should be disturbed or kicked away without the agreement of both thirds and skips.

- Do not waste time by dwelling too long on the mat or in protracted conferences.
- Do not follow bowls to the head unnecessarily
- All bowlers should have a working knowledge of the WB laws of the game and the byelaws of their Association
- Players must not make comments about an opposition bowl before it comes to rest, e.g. 'go into the ditch' or 'hit my bowl in'.
- Smoking on the green is a club decision and not an NIWPGL decision. Several clubs, however, prefer that as a matter of courtesy, the player concerned retreats to the bank.
